Lifelong learning - Continuing Education

The ESC Lille Group's programmes are open to professionals seeking to optimise or develop their competencies, to acquire a global vision of a company, to specialise, to reorientate and gain new responsibilities within their organisation. The Business Management Programme, Masters, MBA, PhD.. are all compatible with professional life.

Lifelong learning has become indispensable.

As an employee who wishes to improve; to specialise or to accelerate your career path, ESC Lille can offer you a wide range of general or specialised programmes.

Organised on an alternate time basis, ESC Lille lifelong learning cycles allow you to be in accordance and also to anticipate the needs in your professional field.

Our lifelong learning programmes are:

- Lifelong Learning Business Management Programmes
- Specialised Masters (MS) and Masters MSc
- MBA
- PhD

Training schemes that facilitate access to these programmes are the following:

- Business training plan
- Professional period
- Individual training period leave
- Adult or senior professional contract
- Individual right to training
