

Student life

Student associations

At ESC Lille there are more than 30 students' societies for students who are interested in Business, Sports, Culture, Entertainment, and volunteer activities...

Thanks to these associations, student life in Lille or Paris is very rich and dynamic: breakfasts, lunches and other cultural get-togethers, association campaigns, exhibitions, parties, networked multiplayer games, movie nights at school, forums, or conferences.

Extra-mural and leisure activities

Paris and Lille are the two biggest student cities in France. Students have a large choice of extra-curricular activities, cultural outings, and a rich variety of entertainment.
